

E-DIS Tutorial Book

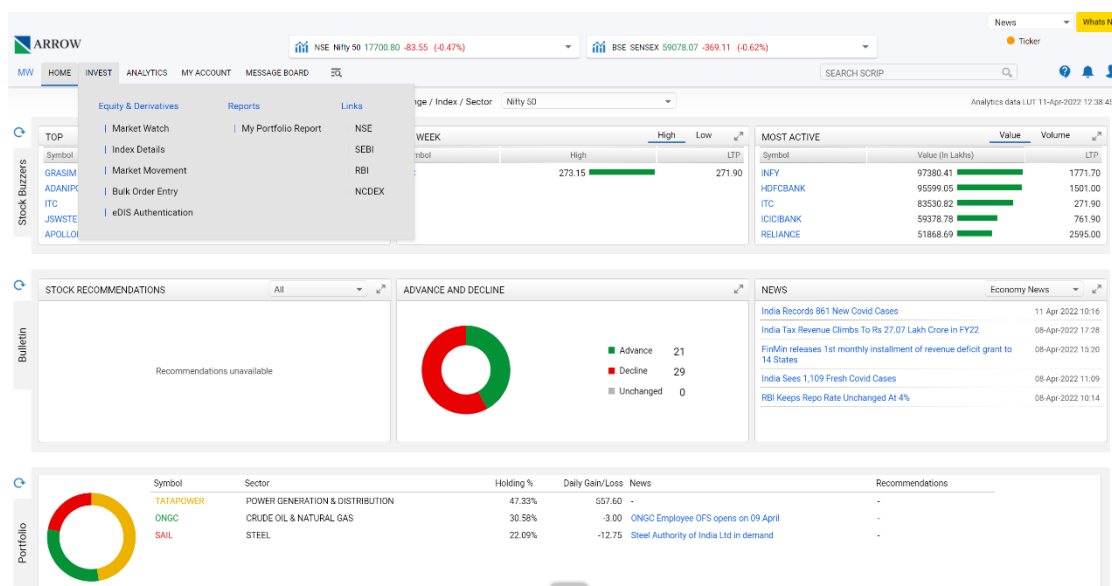

Note: - E-DIS facility is only for individual client. Non-individual client (HUFs, Corporate, Partnership) will either have to give us the physical delivery instruction sheet to sell their shares or they can give us POA one-time.

We recommend all our clients who have not given us Power of Attorney (POA) to perform E-DIS authorization every morning. This will allow you to sell your shares through product type CNC anytime of the day. This authorization expires every day.

For Arrow Web

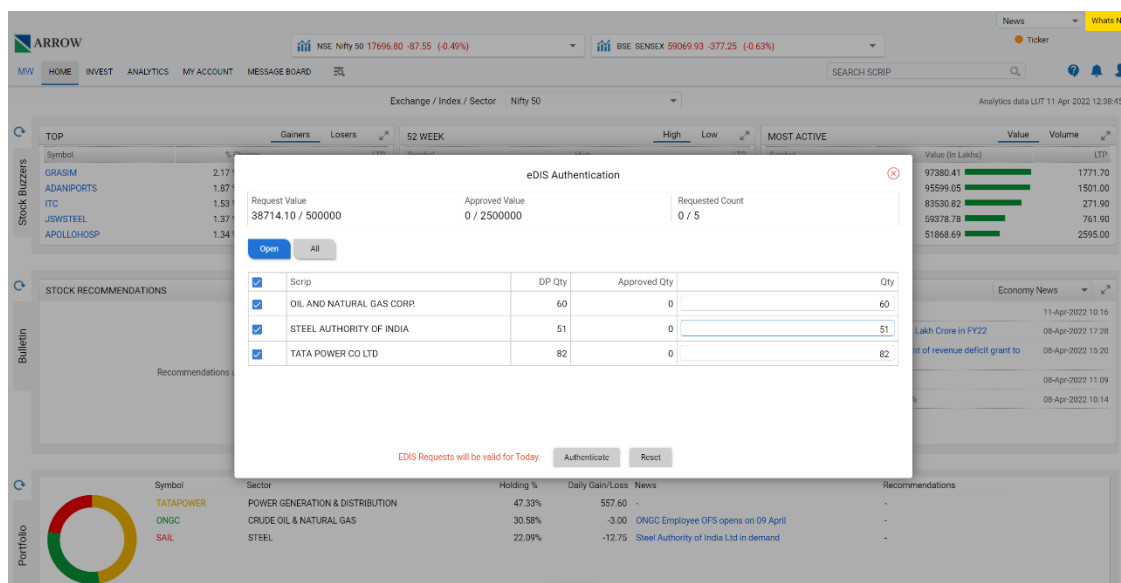

To give us authorization to sell through our Arrow Web, please follow the following steps:-

1. Go to 'Invest' section and click on 'eDIS Authorization'.

The screenshot shows the Arrow Web interface. The 'INVEST' tab is selected. In the 'Links' menu, 'eDIS Authentication' is highlighted. The main dashboard displays market data for NSE Nifty 50 and BSE SENSEX, along with a 'STOCK RECOMMENDATIONS' section showing a donut chart with 21 Advancements, 29 Declines, and 0 Unchanged. A 'MOST ACTIVE' table lists stocks like INFY, HDFCBANK, and ITC. A 'Portfolio' section shows holdings for TATAPOWER, ONGC, and SAIL.

2. Select the scripts that you want to sell and the quantity which you want to sell.

The screenshot shows the 'eDIS Authentication' dialog box. It displays the Request Value (38714.10 / 500000), Approved Value (0 / 2500000), and Requested Count (0 / 5). Below this, there is a table for selecting scripts to sell:

Script	DP Qty	Approved Qty	Qty
<input checked="" type="checkbox"/> OIL AND NATURAL GAS CORP.	60	0	60
<input checked="" type="checkbox"/> STEEL AUTHORITY OF INDIA	51	0	51
<input checked="" type="checkbox"/> TATA POWER CO LTD	82	0	82

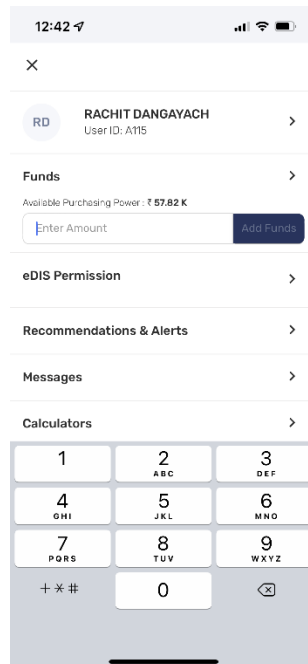

At the bottom of the dialog, it states 'eDIS Requests will be valid for Today.' and has buttons for 'Authenticate' and 'Reject'.

3. After that, please click on 'Authorize'. It will open CDSL E-DIS Transaction Page.
4. If you don't have the TPIN, please click on 'Click here' to generate T-PIN.
5. Enter your BO ID (your Demat account number) and Pan card number
6. CDSL will send you a OTP on your registered mobile number, enter the OTP there.
7. CDSL will send you the TPIN via SMS and email on your registered mobile number and email id.
8. Enter the T-PIN and click on 'Verify'
9. You will now receive an OTP on your registered mobile number and email address. Click on Verify.
10. You can now sell your holding via Product Type 'CNC'.
